

**Suitable for:**

- ✓ Work boats
- ✓ Rescue operations
- ✓ Escorts boats
- ✓ Recreational boating
- ✓ Sport fishing

**Extra strong with  
PE foam layer**

## Whaly 500R Professional

The Whaly 500R is an incredibly robust, double-walled boat manufactured from high-grade Polyethylene – it's almost unsinkable and indestructible. This version is even stronger and has a foam layer on the interior, making it the preferred choice for professional use as a workboat, though it is very suitable for rescue operations too. Furthermore, the Whaly 500R has an additional option: an engine with 60hp – very handy when speed is of the essence.

This boat is low-maintenance and is produced in 100% colour-fast Polyethylene.

**The specifications will certainly convince you of its quality.**

EC type Certificate; Assessed according to Directive 2013/53/EU and meets all applicable essential safety requirements.
